THE PESKY MOSQUITO

CONQUERED AT LAST.

Thousands of people will give thanks this summer and be truly grateful to the Kentucky Chemist who has succeeded in perfecting a preparation that will, when applied freely, prevent mosquitos from biting you. This discovery is pleasant to use, contains no poisonous drugs and is perfectly harm-less, and is known as Paracamph, First Aid to the Injured. Even should the mosquito get to you before applying Paracamph an application of same will He says, "It gives me pleasure to recstop the itching and prevent swelling by neutralizing the poison. Mosquito bites often produce malarial and other dangerous fevers, for which reason it is the duty of everyone to protect them-the best results. In fact I believe it to selves as far as possible from the bites be the best remedy of the kind in exof these annoying insects. Paracamph istence." Sold by Lyne Bros., Crab is a combination of soothing, cooling oils, which, when applied, penetrates to the seat of the hurt, drawing out all fever, soreness and inflammation through the pores of the skin, for which reason it is unequalled for the relief of Sunburn, Prickly Heat, Chafing, Sore Feet, etc. Don't go through a summer without a bottle of Paracamph in your house. Don't take a trip to the woods, lake or seashere without a bottle of Paracamph in your grip. You can use it a hundred ways to good ad-Sold only in 25e, 50e and \$1.00 bottles at all good drug stores.
